

PROTECTIVE WETSUIT REFUSAL AGREEMENT

I, for myself, and/or on behalf of my child or legal ward, have been fully warned and advised by **J & R Used Cars Inc. d/b/a Cache Honda Yamaha** that we should wear properly fitted wetsuit bottoms, or clothing that provides equivalent protection, while riding or being around Wave Runners and Jet Skis in order to protect against injuries caused by water forced into body cavities as a result of falling into the water or being near the jet thrust nozzle. Injuries include water forced into the rectum or vagina causing severe internal injuries or death. I understand that by not wearing wetsuit bottoms or equivalent clothing, I will be going against manufacturers' requirements and putting myself at risk for injuries. I realize that I may be subject to injury from this activity and that no form of preplanning can remove all danger. Against the advice of CHY, we are declining this critical safety precaution.

I/we the undersigned have read the foregoing statement carefully before signing and do understand its warnings and assumption of risks.
